This group home in Craiova is now completely sponsored by Elaine MacEwen and her organization "Nobody's Children". She has taken a huge responsibility and donated \$30,000 to see this project completed. She has dedicated this in memory of her young friend, Katerina. Elaine has collected these funds from many sponsors and donors. Katerinna's name has been put on the house, and it will now be called Casa Katerina.

**Bal Jagat** and Copiii Lumii Foundation in **Romania** wish to thank Elaine MacEwan and her organization "Nobody's Children" for sponsoring and funding this project and for her generous donation.

Our Circle of Giving Project is providing funding for additional care givers in the Brasov Orphanage for children zero to five years of age. We are supporting the salaries of additional care givers to give the appropriate care for 300 children. The caregiver ratio was 25 to 1. With this change, the ratio is 8 to 1. This will allow children to develop appropriately and not experience the isolation other children

have lived with. The changes in the children have been noticeable and dramatic. It costs only \$50.00 a month for the salary of one care giver. **Copiii Lumii desperately needs donations for this project!** Other funds will go toward medical, educational and other daily living expenses like food and clothing.

## Foster Care Project in Bucharest

---

The Copiii Lumii Foundation places children from Bucharest into foster homes. This foundation takes some of the children who were abandoned at birth and places them with foster mothers in their homes. These children develop much better than the children living in orphanages. So far, the difference in growth and development in the children has been dramatic! Currently, we have four foster homes. We wish to support this program with your donation of \$50.00 a month, which will pay the salary of a foster mom who provides a loving and nurturing atmosphere, as well as a great deal of personal attention and care.
