NLHT - KENYA

**NEW LIFE HOME TRUST &
BARNABAS MINISTRIES AFRICA**

Clive & Mary Beckenham – FOUNDERS – DIRECTORS

BREAKING NEWS!

Early January found us in Nakuru. Many months had passed since our last visit to the home. The welcome was overwhelming as the children came from every corner of the compound. The children in the kindergarten were glad to display their new found skills.

Later we visited the newly rented home "Bethel" (House of God) just ten minutes away. It brought great joy as the 15 children who had recently moved from the recently closed Kericho home proudly showed us their new home.

After much prayer, sadly the Board of Trustees have found it necessary to close the Mombasa home. This does not mean we have reduced the in-take of babies but we are increasing through the other homes of the NLHT network

Without the support of people like you, we would not be able to bring change and hope to the needy children of Kenya. Thank you! Asante Sana.

Clive & Mary

Prayer Quote from Foster Robert

"Most men pray for power-the strength to do things. Few people pray for love, the quality to be someone".
