Decision of the European Ombudsman closing complaint 1349/2015/DR concerning the handling by the Commission of the complainant's contribution to a staff report and related correspondence

Dear Mr President,

Please find enclosed a copy of my decision letter to the complainant in the above case, in which the complainant alleged that the Commission 1) did not reply to his e-mail of 30 April 2015 and to his request for a meeting and 2) failed to address the concerns raised in his report.

In the decision letter, I inform the complainant that I contacted the relevant service of the Commission with regard to his first allegation and related claim, and that the Commission replied on 21 September 2015. I also inform him that I dealt with his second allegation and related claim after receiving the Commission's reply.

After a thorough examination of the reply provided by the Commission and the complainant's observations on that reply, I concluded that the Commission has taken steps to settle the matter as far as the complainant's first allegation and related claim are concerned.

I also inform the complainant that, as far as his second allegation and related claim are concerned, I concluded that no further inquiries are justified.

Finally, as regards some of the complainant's submissions, I inform him that I am not entitled to deal with them, since he does not appear to have made any administrative approaches to the Commission in relation to them.

I therefore decided to close the case.

Yours sincerely,

Emily O'Reilly
