Dear Mr Dohle,

Many thanks for forwarding to me a private and personal email between Roelie Post and myself. As a general rule, such matters are not those which one should or would discuss with a third party.

I would therefore be grateful if you would cease contacting me or my secretary on this or related matters and would flag my unwillingness to continue any further exchange with you on such matters or respond to any further similar emails.

Yours sincerely,

Simon Mordue

Dear Mr. Mordue,

on 14th March 2016 i contacted your office.

However your secretary informed me, that you wouldn't ever talk to me, as you consider yourself not the right person.

If not you, could you tell me, who is the right person?

Sincerely

Arun Dohle
